Dear Ladies and Gentlemen,

The above specified technical equipment has been certified and found to be in accordance with the relevant requirements.

Enclosed you will find the Certificate of Suitability in respect to your application received.

Please be advised that should the electrical equipment be modified, you are required to notify us and apply for a modification of the certificate. Furthermore, all critical components in your product must have valid electrical safety certificates that are not expired.

We appreciate your kind support and would like to offer our assistance and continuous services in the future. Please contact our office for approval of your new products.

Note: For EESS in-scope product, the responsible supplier shall ensure that EESS Equipment Safety Rules and all relevant parts of AS/NZS 4417 applicable to the article are fulfilled, and Regulatory Compliance Mark (RCM) is marked on the product.

With kind regards,

Certification Body
